

Decorative door sill protectors

3V0 071 303

ŠKODA Superb (3V)

Material: Stainless steel with polished surface

Colour: Silver

Classy appearance | Protection | Utility

Do you wish to decently improve the elegance of your ŠKODA Superb? The decorative sill protectors are the adequate accessory that will provide your car with a **more classy appearance** while also **protecting** the door sills from getting dirty. The sill protectors are fitted onto the doors using templates. Adhesive tapes at the bottom side of sill protectors ensure that they **stay right where they are supposed to be**. The sill protectors are made of polished stainless steel and adorned with Superb lettering. In case they get dirty, they can be easily cleaned using a damp sponge.

Fitting time: 50 TU

Contents of the kit: Front sill protector (2 pcs), rear sill protector (2 pcs), installation manual

Fitting: Attach to the front and rear sills of the car

Maintenance: Standard soap-based cleaning agents. Don't use abrasive cleaning agents or material.

Restrictions: Not suitable for cars equipped with the sill protectors by default

Warranty: 24 months. Due to the precision required when attaching the protectors, we recommend that the installation be carried out by an authorised service partner of ŠKODA AUTO.

Weight: 0.25 kg (set)
